### The periFACTS<sup>®</sup> Difference

•Our Online Continuing Education Program includes new topics and new content each month, offering both current and comprehensive continuing education in women's health.

•Each participant, as an individual or as part of a group, will have the choice of the OB/EFM program or A/P program. Group subscriptions are customizable and group discounts are available. See table below for group pricing. Special health system pricing is also available upon request.

•Each participant can earn at least 42 accredited CNE Contact or CME Credits per year, including EFM and Pharmacology hours, eligible towards certificate and certification maintenance.

•Our NEW learning management system is easy to navigate and offers each participant, as an individual or as part of a group, a personalized account and convenient online access 24/7 from any computer.

**Sign up for a FREE, no obligation 30-day trial to our OB/EFM or A/P program and earn FREE CNE Contact Hours! Visit our website to learn more and to sign up!**
