

Become an Ambassador!

Are you interested in the periFACTS® Online Continuing Education program and are looking to sign up as an individual?

Did you already sign up for an individual subscription, but are part of a group interested in a subscription?

We would like to tell you more about becoming a **periFACTS® Ambassador!**

Turn your Individual subscription into a Group subscription of 15 or more members, and we will REWARD you, as a periFACTS® Ambassador, with a FREE 1-year subscription to our program!

If you are a current individual subscriber, we will extend your subscription for an additional 12 months for FREE!

If you have not signed up just yet, we will credit your group so your individual subscription is FREE!

We will also recognize you on our website as a periFACTS® Ambassador!

To take advantage of our periFACTS® Ambassador program, see the attached registration form for more details!

Each participant will have the choice of either our **Obstetrics with Fetal Monitoring course** or our **Antepartum/Postpartum course** subscription, which your Group Coordinator will assign to each participant after your group subscription order and payment is received. You will assign one person to the Group Coordinator role after you purchase your group subscription and it can be changed at any time. The Group Coordinator is responsible for managing your group and participant information, and will receive primary communications from us regarding the program and your group subscription. **Return completed form with payment to: PeriFACTS, 601 Elmwood Ave, Box 668, Rochester, NY, 14642, USA or email us at periFACTS@urmc.rochester.edu or fax to 585-276-2080.**

Program Terms & Conditions: Valid for new groups of 15 or more members, including Ambassador. Free subscription valid for only one person per new group. Not valid on previous group purchases or renewals, or in combination with any other offer or promotion. No refunds will be issued to an existing, paid individuals; only a 12-month subscription extension will be given. New groups who sign up via an individual who is not an existing subscriber will have their individual subscription rate deducted from total cost of the group subscription. If group order includes a discounted nurse group rate and the free, “Ambassador” participant is selecting a nurse subscription, the discounted nurse group rate will apply for the “Ambassador” discount. For example, if a group of 40 nurses subscribe, the nurse discounted group rate would be \$93/nurse, and if the “Ambassador” is a nurse, the discount would also be \$93 off as the free subscription discount. Discount not eligible towards a textbook. Our “Fetal Heart Rate Monitoring: Pathophysiology and Practice” textbook is an essential component to the continuing education program and hardcopies are available as an optional, addition to your subscription. Each subscriber will have access to an electronic textbook online. NY State Residents must add sales tax.
