

**Animal Resource Enrichment PROPOSAL Form**

jw/ Jan 20.2006

Please submit this form if you would like to propose a new idea for enriching any animal in the University of Rochester Animal Resource. Please first submit the form to the Animal Resource Office for veterinary review. The vet will assess risk, consider any USDA concerns and determine if the funds are available within the current budget considering impact on the per diem rate. The Vivarium representative will evaluate the proposal for any concerns related to sanitation and cage malfunction.
