

**DIVISION OF LABORATORY ANIMAL MEDICINE
SCHEDULE OF FEES FOR SERVICES
LEVELS OF VETERINARY CARE
Effective July 1, 2008**

- LEVEL 1 No handling of the animal.
(e.g. observe appetite, attitude, feces or urination)
- Charge: \$5.75 per level 1 visit
- LEVEL 2 Handle the animal and/or administer medication or treatment.
(e.g. assess hydration, suture removal, trim teeth, administering drug that
was provided by investigator and is easily given)
- Charge: \$7.35 per level 2 visit
- LEVEL 3 Any treatment that requires greater than 5 minutes
Administration of any drug/fluids that are taken from DLAM pharmacy
but not otherwise charged to investigator
(e.g. administering antibiotics or subcutaneous fluids, tranquilizing and/or
treating a monkey, compromised dog, etc.)
- Charge: \$46.00 per tech per hour (charged in 15 minute increments)

- Levels of care should be written on clinical case or post-op records at the time that observations are made.
- The first observation by DLAM is charged to the Vivarium account.
- Consumable supplies used in treatment are charged to the investigator except drugs/fluids, which are included in level 3 charge.
