

PUBLIC HEALTH GRAND ROUNDS

Encore, Encore: Giving Voice to People Living with Dementia

This presentation unveils a therapeutic choral arts program through the Eastman Community Music School, which provides a nonpharmacological benefit to people living with Alzheimer's Disease and related dementias. It situates the program in the context of social prescription and engagement with the arts, culture, and nature as social drivers of health.

Friday, March 21
12:00PM – 1:00PM
