

UR MEDICINE EAP PRESENTS

WHEN THE WORK COMES HOME: COMPASSION FATIGUE FOR FIRST RESPONDERS AND THEIR FAMILIES

Tuesday February 4th, 2025
5-6pm

UR Medicine's Employee Assistance Program invites you to join us for a welcoming one-hour webinar for first responders and their families to:

- Explore the highs and lows of being a first responder in our community
- Examine how the role of a first responder affects their family members
- Learn how to start supportive conversations with loved ones to build resilience

Click the link to register and receive the Zoom link directly to your email.
