

## Junior Faculty Biomedical Research Association

Co-sponsored by URSMD Office for Faculty Development  
and UR Clinical and Translational Science Institute

# Connect and Explore: Discovering Research Tools at URM C to Enhance Your Project

Wednesday, September 25, 2024 | 5:00 p.m. – 6:30 p.m. | K-207 2.6408

To register: <https://forms.gle/usdSvDHra1TQDzDw9>

### Panelists:

#### **Edward Schwarz, PhD**

Director of the Center for Musculoskeletal Research

#### **Timothy Bushnell, PhD**

Director of the Center for Advanced Research Technologies

#### **John Foxe, PhD**

Research Director of the Ernest J. Del Monte Institute for Neuroscience

#### **Carrie Dykes, PhD**

Director of Research Services for the  
Center of Clinical & Translational Science Institute

#### **Tracie McGinnity, PhD**

Staff Scientist, Wilmot Cancer Institute Shared Resources

*At the conclusion of the seminar, the participant will be able to:*

### **Objectives:**

1. Appreciate the facilities and programs at URM C that offer support for research
2. Identify internal funding and pilot grant opportunities in various fields of research at URM C
3. Identify research enterprises at URM C for collaboration within and for your own research

The URSMD Junior Faculty Biomedical Research Association (JFBRA) is an academic peer group designed to serve the unique needs of early-stage Ph.D. and M.D. faculty to promote our success in scientific discovery, funding, publications, mentoring, teaching and service to the University of Rochester and the greater Rochester community. For more information or to be added to the JFBRA distribution list, please contact the JFBRA Co-directors or email [faculty\\_development@urmc.rochester.edu](mailto:faculty_development@urmc.rochester.edu)

### **JFBRA Leadership Co-Directors**

#### **Jonathan I Leckenby, MBBS, PhD**

Assistant Professor of Surgery, Plastic Surgery  
Assistant Professor of Neuroscience

#### **Katherine K. S. Rieth, MD, MPH, MA**

Assistant Professor, Otolaryngology
