

Research Study

Deaf

Mental

Health

Come share your perspective of Deaf culture and mental health by participating in an interview on Zoom!

What is the study about?

Researchers at the University of Rochester Medical Center are seeking to learn how culturally Deaf and hard of hearing individuals experience, understand, and communicate about mental health challenges.

You will meet with the research team on Zoom and complete an interview lasting 60 - 90 minutes.

You may qualify to participate if:

- You are 18 years or older
- You are deaf or hard of hearing
- You are culturally Deaf
- You use ASL or PSE as your preferred language
- You have experienced a mental health challenge
- You have access to video chat technology
- You live within the U.S.

Interested?

Complete a brief screening questionnaire using the QR Code or link to the right:
