

## Book Donations

### MUCCI FAMILY RESOURCE LIBRARY

We welcome new, unused book donations for in-hospital use

Our goal is to ensure every child in the hospital sees themselves included in our library collection. We appreciate book donations that reflect the diversity of the children in our community.

Please consider books for all readers – infants through teens – with characters from a variety of backgrounds, ethnicities, cultures, and physical and developmental abilities.

### OTHER IN-HOSPITAL & OUTPATIENT AREAS

Play Room | School Room | Teen Lounge | Sibling Clubhouse | Ambulatory Care Clinics | Pediatric Emergency Department | Pediatric Imaging

### GUIDELINES FOR ALL BOOK DONATIONS

For the safety of our patients, we are unable to accept donations of used books

Book surfaces should be smooth and non-porous – no cloth, please

We cannot accept holiday, religious, or textbooks

Other than classics, we prefer recently published books
