UNIVERSITY of ROCHESTER
MEDICAL CENTER

Lupus Education Day (10th Annual)

October 15, 2016

Location: University of Rochester Medical Center
Strong Memorial Hospital
University of Rochester Medical Center
Adolph Auditorium (1-7619)
601 Elmwood Avenue, Rochester, New York
Time: 8:30 am –12:30 pm

We have brought this free seminar to the Rochester community yearly in order to bring together individuals with lupus and their families for support and state-of-the-art information. We are very excited that this is the 10th Anniversary of this important event. To celebrate this, we have arranged for a Keynote Speaker Dr. Richard Furie, Chief of Rheumatology at North Shore - Long Island Jewish Health System, who is an internationally recognized expert in lupus clinical trials.

We are also pleased to announce the establishment of the 'Lupus Education and Research Fund' generously gifted by the local Lupus Foundation to support patient/practitioner education and research related to lupus.

Symposium Organizer: Jennifer Anolik, M.D., Ph.D.
Associate Professor of Medicine, Pathology, and Microbiology/Immunology
Director of the URMC Lupus Clinic
University of Rochester Division of Immunology/Rheumatology

CRITTENDEN BOULEVARD

KENDRICK ROAD

You are welcome to park in the Medical Research Building (MRB) parking lot, which is closest to the School of Medicine & Dentistry entrance. Please be aware that this parking lot may be closed due to scheduled events. Plan on giving yourself extra time in case you are unable to park in the MRB lot and have to walk through the hospital from the parking garage (A), which is at the other end of the Medical Center building.
