Program Description

This interdisciplinary workforce education and training certificate program provides generalist-level education in aging, public health and palliative care, including geriatrics, gerontology, social work, psychology, health policy and advocacy, and pastoral and spiritual care. The overarching framework orients the learning experience to the contexts and challenges presented by serious or chronic illness and death or dying, as well as pandemics, disasters, migration, and humanitarian crises.

Social Work Continuing Education Credits

CE credits are available for licensed social workers (LMSW/LCSW) in New York State from Lifespan of Greater Rochester. Lifespan of Greater Rochester is recognized by the New York State Education Department's State Board for Social Work as an approved provider of continuing education for licensed social workers #SW-0089.
