UR Medicine Central Laboratory is Live!

On Monday, June 24th, the UR Medicine Central Laboratory officially went live. Located at 211 Bailey Road, the state of the art facility will serve the region with a goal of being the laboratory of choice. In this first and largest phase of the transition, approximately 500 staff from Strong Memorial Hospital and other department sites have moved into the new building. We look forward to bringing the same high quality service to the communities we serve as we start this new chapter. Thank you for your patience throughout this transition and for choosing UR Medicine Labs!

Maternal Screen Testing Resumed In-House

As of July 8, UR Medicine Labs has resumed in-house testing of Maternal Screens. Select tests were sent out to ARUP Reference Laboratory as we transitioned to the new UR Central Laboratory.

Tests impacted include:

Maternal Serum Screen, First Trimester

Maternal Serum Screen, Alpha Fetoprotein (Only)

Maternal Serum Screen, Alpha Fetoprotein, hCG, Estriol, & Inhibin A (Quad screen)

New Patient Service Center Location

UR Medicine Labs has a new Patient Service Center location now open:
