## Chromosome Analysis (CHRMS): Send Out Notification

Date: January 15<sup>th</sup>, 2025

---

Effective Date: January 15<sup>th</sup>, 2025

The Cytogenetics laboratory has been temporarily impacted in the ability to perform the current caseload of Chromosome Analysis for Bone Marrow and Leukemic Blood specimens in-house. A fraction of samples will be sent out to ARUP Reference Laboratory beginning 1/15/25.

Tests impacted include:      **CHRMS (Blood and Bone Marrow)**

This temporary measure does not affect test ordering or sample requirements indicated in the test menu.
