Melissa Allen
Pre-Analytical Operations Manager, UR Medicine Labs
Phone: (585) 276-7347
Email: Melissa_Allen@urmc.rochester.edu

Date: March 16, 2017

Due to the snowstorm and inclement weather over the last 48 hours, UR Medicine Labs is currently experiencing delays in testing for the Thyroglobulin and Thyroglobulin Antibody testing.

Currently, we are seeing delays in turnaround times for this testing in the area of greater than 3 days. We expect to realize turnaround times within the expected range of 1-3 days in the next week.

We appreciate your patience as we return to normal operations after recovering from the weather disruptions of the last 48 hours.

If you have any questions, please contact our Client Services Department at 585-758-0510.
